

# California Department of Fish and Game Seasonal Job Bulletin

**Position:** Scientific Aid

**Location:** Wendel, Lassen County

**Salary Range:** \$11.58 per hour

**Work Hours:** Normal work schedules vary but are generally Monday-Friday, 8 hours per day, not to exceed 40 hours in one week. (Work days will include some weekends and holidays). Maximum 1,500 hours per year.

**Season:** Year-round, Beginning May 14, 2012

## **Duties:**

Under the supervision of California Department of Fish and Game, the employee will conduct the following at Eagle Lake: angler creel census; water quality monitoring; install, operate and maintain fish traps and weirs; collect biologic information from captured fish; assist with fish migration and spawning monitoring and evasive species removal projects; data management and analysis; prepare written reports and presentations. Employee will also assist District biologist in other fisheries resource assessment work within Lassen and Modoc Counties.

## **KNOWLEDGE, EXPERIENCE, ABILITIES REQUIRED:**

- Equivalent to completion of 2 years of college with a minimum of 10 semester hours in biological sciences.
- Experience and/or educational background in biological surveying, field sampling, studying or evaluating fish populations and habitats.
- Organizational and competency skills to accurately collect, record, and report data.
- Experience operating a motorized boat.
- Ability and willingness to be flexible with regards to hours and days worked throughout the term of employment.
- Willingness to work in inclement weather, in both stream and lake environments.
- Physical capability and endurance to conduct fieldwork in remote settings, including the ability to carry up to 40 lbs over rough terrain.
- Possession of a valid driver's license and a safe driving record; 4-wheel drive and boating experience preferred.

## **Additional Information:**

The office for this position is located at the Honey Lake Wildlife Area (HLWA), Wendel, CA. State housing is available at the HLWA. If state housing is not utilized, the person must live within reasonable driving distance to both Honey Lake Wildlife Area and Eagle Lake.

**How to Apply:** Applicants that meet the minimum requirements and are interested in scheduling an interview may call or email Paul Divine at (530) 254-6363 or [pdivine@dfg.ca.gov](mailto:pdivine@dfg.ca.gov). A State of California job application (Std. Form 678), brief cover letter and resume outlining experience and qualifications will be accepted until the position is filled. Transcripts are required.
